

\$60,000 in 24 hours?!

On May 29th and 30th, Eden will be 100% focused on our first ever crowdsourcing 24-hour Giving event! Our goal is to raise \$60,000 in 24 hours! And for just ONE day, your gift will be ***quadrupled*** by Eden friends, graduates and family, who have already generously championed Eden's mission by making this match possible. Your financial gift, along with those of our champions, will help support programs, technology, international students, scholarship, Contextual Education mentoring...and so much more. Watch for your email, text or phone call on May 29th and 30th!
